

Candy Bar Pie

- 1 1/2 cups coarsely ground walnuts (6 ounces)
- 3 tablespoons melted butter or margarine
- 2 tablespoons sugar
- 6 (1- to 1 1/2-ounce) bars milk chocolate with almonds, chopped
- 15 large marshmallows or 1 1/2 cups tiny marshmallows
- 1/2 cup milk
- 1 cup whipping cream
- 1/2 teaspoon vanilla extract
- Whipped cream (optional)
- Coarsely chopped milk chocolate bars with almonds (optional)

1. Chill a large mixing bowl and beaters. Preheat the oven to 325°F.
2. Make the Walnut Crust by mixing together the walnuts, melted butter and sugar. Press into the bottom and onto the sides of a 9-inch pie plate to form a firm, even crust. Bake about 10 minutes or until edge is golden brown. Cool on a wire rack.
3. In a medium saucepan combine the 6 chopped chocolate bars, the marshmallows, and milk. Heat and stir over medium-low heat until chocolate is melted. Remove from heat. Let the chocolate mixture stand until cooled to room temperature.
4. In the chilled mixing bowl, beat cream and vanilla extract with an electric mixer on medium speed until soft peaks form.
5. Fold whipped cream mixture into cooled chocolate mixture. Spoon the chocolate mixture into Walnut Crust. Freeze about 5 hours or until firm.
6. To serve, remove from the freezer and let stand about 10 minutes before cutting into wedges.

Figure 1

Finished Block Size: 9" square

Fabric Requirements and Cutting

Refer to Figure 1 for piece and appliqué identification.

Fabric	Piece	No. to Cut	Dimensions
Light Background: 7" x 10" strip	A	1	6 1/2" x 9 1/2"
Medium Print: 5" x 7" strip	B	2	2" x 6 1/2"
Corner squares: 4 1/2" square	C	4	2" square
Scraps for appliques*			

* See "Appliqué Preparation" below and Appliqué Color Key on page 2.

Block Piecing

All seam allowances are 1/4" wide. Refer to Figure 2.

1. Sew a 2" square (C) to each short end of each 2" x 6 1/2" background strip (B). Press the seam allowances toward the squares.
2. Sew the units from step 1 to opposite long edges of the background rectangle (A). Press as directed by the arrows. Figure 2.

Figure 2

Appliqué

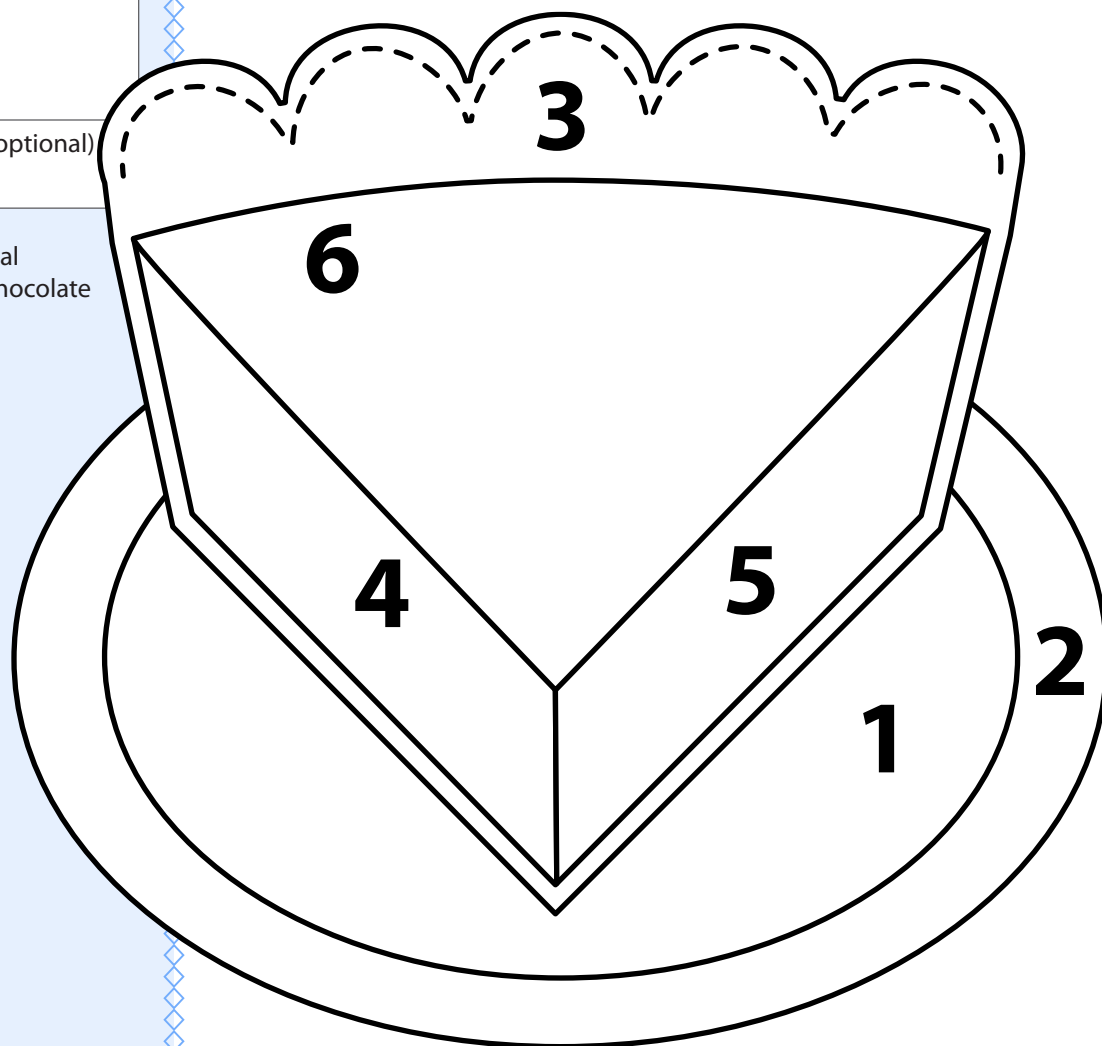

You will need a 9" x 12" piece of fusible web.

- Using the template below, trace each appliqué shape onto the paper side of the fusible web. **Note:** For Piece 1, trace the outermost solid line so that you will position Piece 2 on top of it. For Piece 3, trace the solid line for the crust edges and cut the piece in entirety so you can position the filling in the crust just as you would when making a real pie.
- Remove the protective paper and following the manufacturer's directions, fuse each piece to the wrong side of the appropriate color fabric for the pie recipe. See "Appliqué Color Key" to the left. Cut out on the drawn lines.
- Referring to the applique pattern below, arrange the pieces in numerical order, centering the appliqué in the background block. Fuse in place. Embellish with blanket or satin stitching around the outer edges of each appliqué if desired.
- "Garnish" the piece of pie with trims as desired (for chocolate curls, lemon peel, whipped cream, etc.).
- Embroider the stitching line on the pie crust by hand or machine as desired in a darker coordinating color—or wait until you are doing the quilting on your finished project and quilt along the line instead.

Appliqué Color Key

Fabric	Piece
Pie plate	1
Pie plate trim	2
Crust	3
Pie Filling	4 and 5
Pie top (filling color if a single-crust pie without topping; crust color if a 2-crust pie; or topping color; see recipe for ingredients)	6
Pie vents (same color as filling if there is a top crust)	7 (optional)

- If desired, garnish with additional whipped cream and chopped chocolate bars.

Appliqué Template

PRINTING INSTRUCTIONS

Be sure your printer is set up to print at 100% – not scaled or reduced to fit.
